

THE COMPLETE VIDEO SOLUTION *for Sports Organisations* is the solution to help you integrate the power of Video Analysis in your organisation, federation or club in order to set standards and transfer knowledge within all the staff and players/athletes. It offers all advantages of Video Analysis to ensure the quality and development of key processes.

> Dartfish Software

EASILY INTEGRATE VIDEO ANALYSIS IN YOUR PROCESSES

Dartfish Software is the ultimate tool for video analysis used by thousands of sports professionals worldwide. There are various packages on offer to meet your most demanding needs.

Dartfish Pro Versions allows experts to give athletes/players instant visual feedback, tag and categorise videos, make powerful statistical and technical analyses, present them to staff and players/athletes and create Dartfish Content (see opposite).

Dartfish Connect provides the essential tools to anyone who want to start using digital video. It enables the user to perform in depth analyses, copy and read clips from Dartfish Content or directly from experts or other users. It provides an easy to use medium to communicate and share expertise.

> Dartfish Academies

QUICKLY GIVE ALL THE MEMBERS THE ABILITY TO GET USED WITH VIDEO ANALYSIS

Our valued training and support infrastructure can provide the necessary steps to quickly integrate video analysis into your structure and processes. We offer several training solutions to help your organisation quickly embrace and integrate video analysis. There are various options to meet your needs according to your field, number of users, and location. We are continuously developing regional 'Centres of Excellence' as resources for localised support.

> Dartfish Content

USE THE POWER OF VIDEO ANALYSIS TO SET STANDARDS WITHIN YOUR ORGANISATION

Dartfish Content is the solution to create a reference library of clips (enhanced with Dartfish Software) that you can distribute within your organisation in order to **raise and implement standards.** The members will be able to use these clips with Dartfish Software as reference, templates, guideline in their training process.

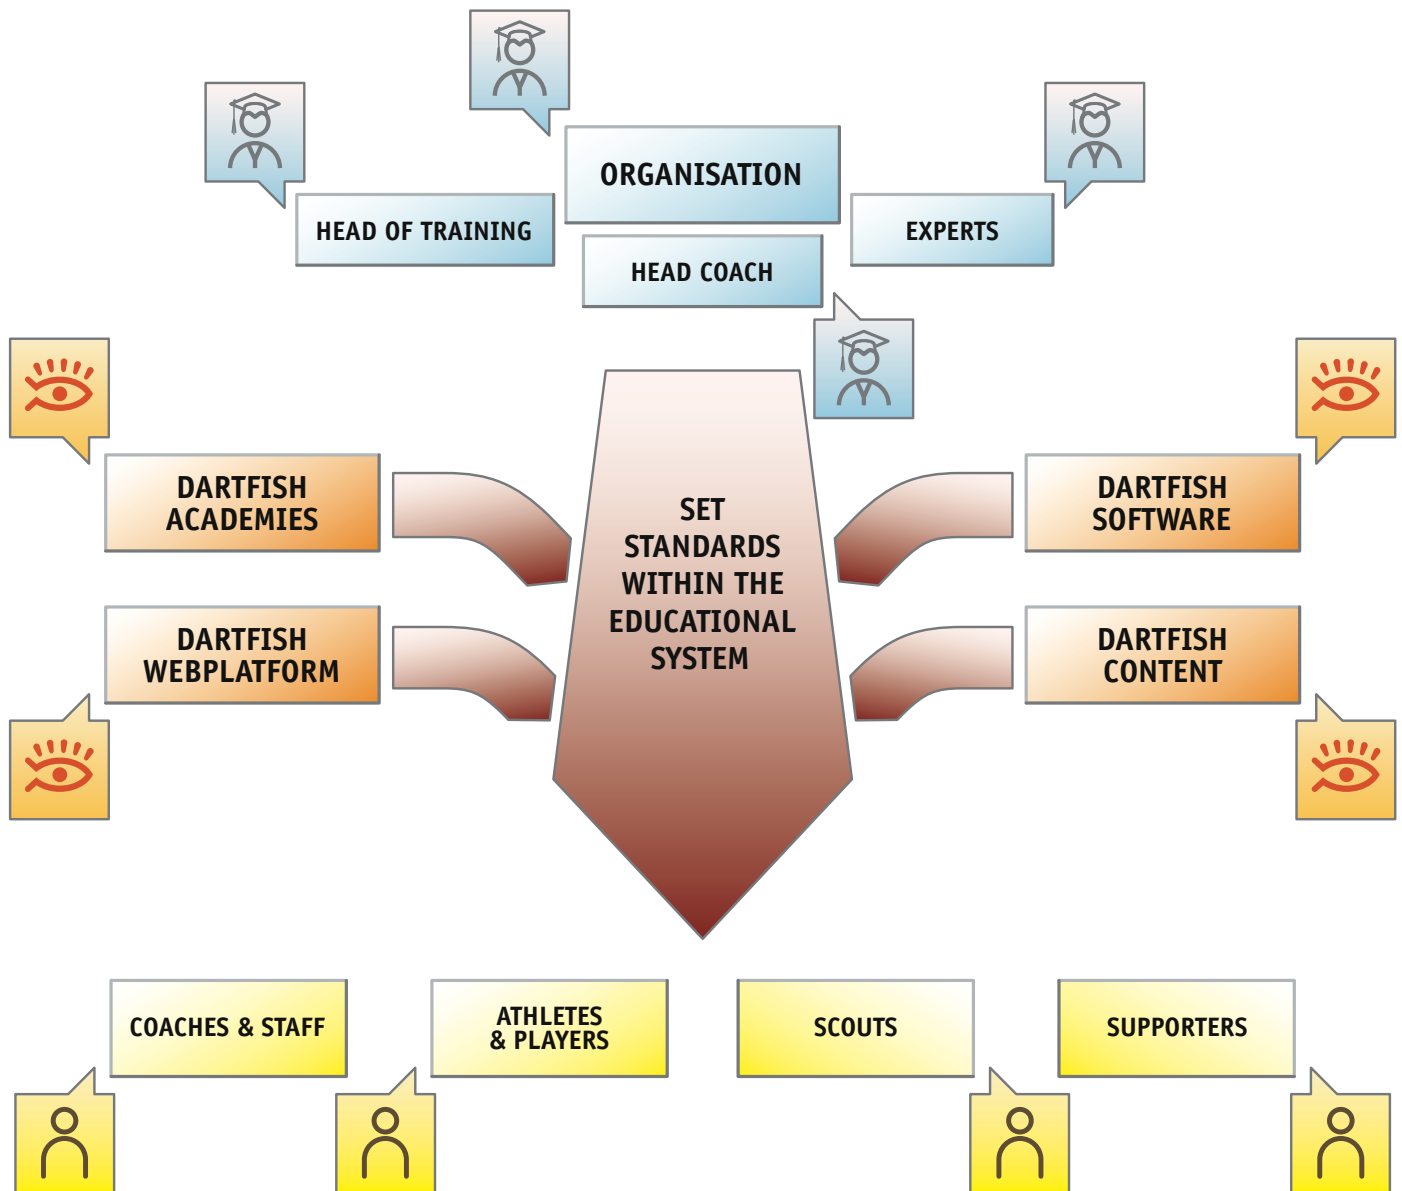

> Dartfish Webplatform

SHARE YOUR EXPERTISE THROUGH A HIGH-QUALITY NETWORK

Dartfish.tv is an exchange network for all the members of your organisation in order to **share videos, teaching programmes, various information** and to **communicate live with members.** It is a powerful tool to create an online community, manage & share video online.

Dartfish provides appropriate and consistent tools for all levels in the organisation

Ensure quality & development of processes thanks to Dartfish

> Useful Information

We offer several packages to best fit your working environment, needs and budget.

Many organisations/federations have already successfully integrated Dartfish into their processes.
