

DARTFISH TRAINING SYMPOSIUM

October 8th – 10th , 2009

USSA Center of Excellence, Park City, Utah

Join us for a long-weekend of Dartfish training at the brand new USSA Center of Excellence in Park City, Utah. This 3 day symposium will cater to all levels of Dartfish users - beginner to advanced - and also offer Dartfish Certified Instructor training.

The course will be conducted by **Deborah Stuard**, Dartfish Director of Training, and **Warren Pretorius**, Dartfish Regional Director, and assisted by candidate DCIs.

CENTER OF
EXCELLENCE

General Information:

The symposium will feature a full-day Video Coach course, ideal for new Dartfish users, a full-day Tagging course for more advanced users, and also a three-day course for those wishing to become Dartfish Certified Instructors.

Travel: Getting to Park City is very easy. Fly in to Salt Lake International airport (a Delta and Southwest hub, but also serviced by other airlines). Then you can rent a car, or take a ½ hour shuttle drive to Park City.

Hotel: The Park City Marriott has offered our group a \$79 room rate, and we will have a shuttle van operating between the USSA training facility and the hotel. Bus service in Park City is regular, free and stops right in front of the hotel. So, it is not necessary to rent a car.

Event: The training will be conducted in the USSA's new state-of-the-art facility, just minutes away from the hotel. We have arranged for a guided tour of the facility (you may even bump into some Olympians!), and also a visit to the nearby Winter Olympic Sports Park.

We hope you can join us for this event.
