

**An Initiative of
WTF
and its affiliates**

Objectives of Taekwondo TV

- > Create visibility for Taekwondo
 - Free access for all to all matches from major events
 - Enable all national federations to embed content from international competitions

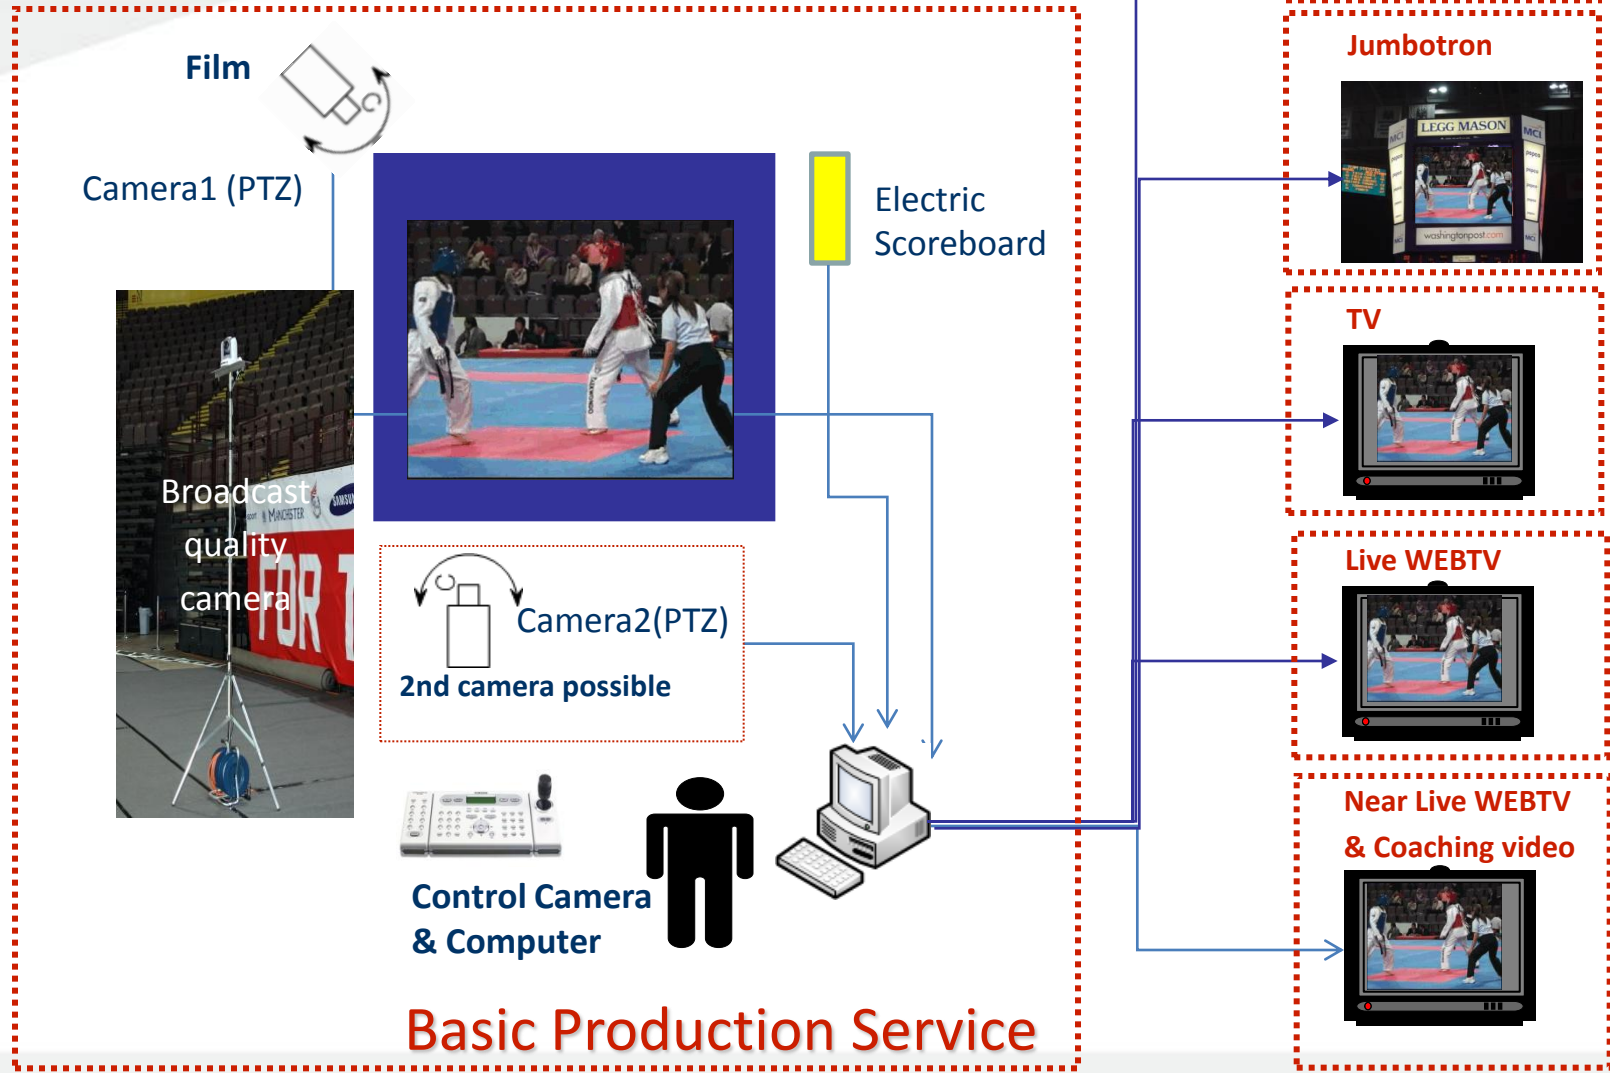

- > Provide high quality coaching videos
 - Download of higher quality videos
 - Download of a PC player to review videos with a high level of comfort on a PC

- > Use the video production infrastructure on site for video replay

- > Achieve the objectives with a low budget but of high quality

Optimization of investment one infrastructure for several outputs

Automated content production

Electric Scoreboard

Inexpensive way to quickly format attractive content for the web
